

## Packing List

**DRESS CODE:** We dress informally at Camp, and it is neither necessary nor desirable that you buy new clothing for your camper. Please remember that Camp is primarily an outdoor setting and that simple and modest clothing is the most appropriate.

**GIRLS:** Girls usually wear t-shirts or blouses with casual shorts, pants or skirts. High-heeled shoes, designer clothes and expensive jewelry are not allowed

**BOYS:** Boys usually wear t-shirts with shorts or pants.

Be aware that the dress code is related to the current season. ACE campers will need outdoor wear, i.e. jackets, coats, gloves, hats, etc. Summer campers will need cooler attire due to the hot Arkansas weather.

**INAPPROPRIATE ATTIRE:** We strongly discourage campers from wearing "inappropriate attire". Clothes that are intentionally tight or revealing, including spaghetti strap tops, should be left at home. We also discourage campers from wearing clothes bearing ads for alcoholic beverages and the currently fashionable "drug" attire. Parents, please make sure all clothing sent to Camp is appropriate, both for the climate and for the community. Low waist bottoms and "sagging" will not be allowed. Shorts must be modest in length with a minimum 3 inch inseam. Straps on shirts should be 2 inches or more in width with no undergarments showing. Shirts should cover the waist and be loose fitting. Low-cut shirts and halter tops are not allowed. Swimsuits should be modest and conservative.
